

The purpose of the courses in the Undergraduate School of Bible & Theology is to assist students toward loving and serving God through learning His Word. Global University has students around the world involved in preaching, teaching, evangelism, and other missionary activities. Each course has been prepared by a person of depth in experience and high academic qualifications. All subjects are carefully selected and offered to equip the student to be a servant-leader to his generation. They are written with a perspective of cross-cultural communication.

The school offers degree programs in Bible & Theology, Religious Education, Missions, and Pastoral Ministries. Global University has a competent and dedicated faculty ready to assist the students by mail, the Internet, or by telephone. Each faculty member has been carefully and prayerfully chosen not only for his or her academic training and experience, but for sensitivity to the Holy Spirit. Many of them have served in ministry positions in different nations of the world.

We invite you to be a part of our Global University Study Group family on the Providence Metro School of the Bible Campus!

### **SECOND BACHELOR OF ARTS DEGREES**

Students who have already completed an undergraduate degree may enroll with Global University to study for a second bachelor of arts degree.

Global University assumes that the previous major will normally have been in a field unrelated to the Christian ministry. However, if the student's educational background includes some courses in Bible, theology, missions, or church ministry relevant to the selected major, it may be possible to transfer some of these credits. A total of 50 credits (68 credits for the Second Bachelors of Arts with Honors) is required with a minimum of 32 credits earned through Global University courses, 15 of which must be in the major.
